

**Vert Funded Social Emotional Training Series**

Creating Nurturing Relationships to Promote Positive Behaviors

March 19, 2019

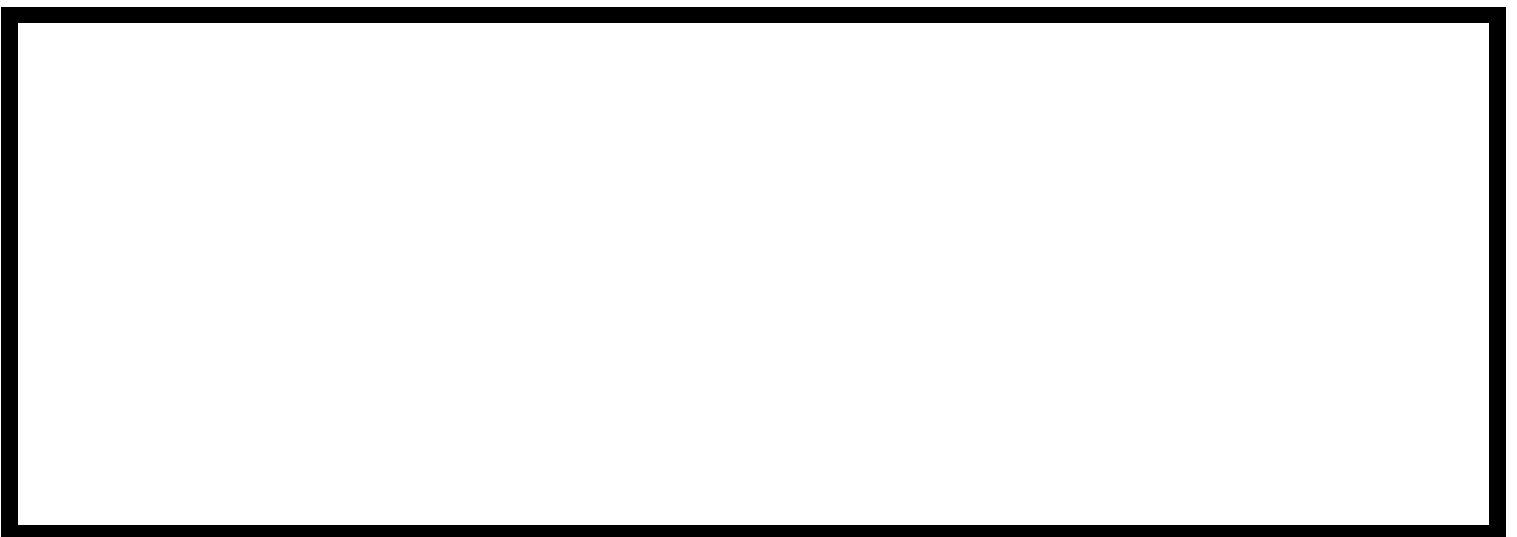

**Insights I gained from this session:**

**New ideas information and resources I found most helpful**

**Ways I will use the information discussed today to improve my own practices:**

A large, empty rectangular box with a thick black border, intended for the user to write their response to the question above.

**What questions do I have now as a result of this session? What would I like be included on future agendas?**

A large, empty rectangular box with a thick black border, intended for the user to write their response to the question above.
