2018 QRIS National Meeting Sponsorship Packages

[The BUILD Initiative](#) and the [QRIS National Learning Network](#) invite you to sponsor the 2018 QRIS National Meeting, which will be held in San Diego, California from July 16-18, 2018. Last summer's conference brought leaders from nearly every state, the District of Columbia and several US territories with more than 1000 registrants. In 2018, we expect to exceed last year's attendance as we offer 3 days of learning and discussion on all aspects of early care and education quality improvement and early childhood systems. We hope you will consider partnering with us on this important meeting. Please review the options below and choose the sponsorship package that best suits your interests. Contact Gerry Cobb, BUILD's State Services Director, when you are ready to make a commitment (gcobb@buildinitiative.org) and she will provide additional information and payment instructions.
