CQI Coaching Framework

Branagh Group, in partnership with Debby Cryer, is pleased to offer this new CQI coaching framework to support early childhood educators and program leaders.

About LearnERS

- Designed for states & local technical assistance agencies
- Aligned with the Environment Rating Scales
 - Online modules linked to ERS items
 - Individualized CQI journals
 - Peer learning team activities
- Effectively moves the needle on continuous quality improvement
- Reflects current research & data that support best practices

Benefits

- Enhances coaching to support impactful teacher-child interaction & learning environments
- Deepens understanding of the “whys” behind quality practice
- Builds ERS knowledge & strengthens effective teaching practices
- Empowers staff to lead their own continuous quality improvement efforts with their coach as facilitator
- Provides coaches with remote access to real time updates on each program & staff members’ self-study progress & CQI planning
- Creates an easy to use, ongoing process for schools/centers to actively engage in quality improvement throughout the year
